M: 0429922296 (text preferred)

DECEMBER: Disease Prevention and Treatment

Best wishes for a Merry Christmas and Happy new Year

Community Project Success Story

Earlier this year the Community Services Project Chairperson and President met with Anglicare and Chinderah Hub to discuss a possible social project that would support a connection to community for those in our community feeling lonely and isolated.

This project has now been running over the past few months (Breakfast Buddies and Ladies Lunches) and has been embraced by a number of members of the local community. Recently the club received an email from Kay Redman from the Chinderah Hub which is a testament to the success of the project (see Below) Congratulations and well done to those members who have been instrumental in providing this service to the community.

Subject: Feedback from Lunch Ladies

Hi Everyone,

I just wanted to share some feedback from one of the ladies who attends our Lunch Ladies.

Lynne popped in today just to let us know what a wonderful time she has been having at the group. She especially LOVED the Melbourne Cup day and LOVED the Christmas Break up! She had so much fun!!

She is a widower, who has no family around her, no friends, and has found it difficult finding and making connections. The group has made a massive impact on her social life, she has looked forward to it every fortnight and has met some really lovely ladies and now friends!

She just wanted us to know - and i personally can speak to the excitement and joy she had in her face when she was telling me this

So lovely to hear - the group is achieving exactly what we hoped it would!! 😊

Warm Regards

Kay Redman

Chinderah Community Hub

What's on?

Monday 9th December 2024

6:00 pm for 6:30 pm start

**Guest Speaker: CEO Adam Ried & Director
of Nursing Rachel Andrews**

Topic: Tweed Valley Hospital

Saturday 14th December 2024

6:00 pm

Christmas Break up

The Four Way Test

Is it the Truth?

Is it Fair to all concerned?

**Will it build Goodwill and Better
Friendships?**

Will it be Beneficial to all concerned?

Captains Log-Star Date: 05122024

Hello again, and for the last time in 2024 here is a brief roundup of some of the things that have been happening in our club in recent weeks.....

In November I was invited to attend a meeting of the Probus club of Banora Point to celebrate their 30th anniversary of being created by our club.

At our own meeting later that day we had a very good guest speaker, Toni Pilcher, who told us about ORBIS and the work they do to help people regain their sight, by having their own operating theatre aboard an aircraft.

Later in the month a few of us attended the District Foundation Seminar and this was very informative!

Our club projects in Chinderah have now paused for the Christmas break and will restart in February. We are getting good attendance at both, and I want to relay to you some great feedback from one of the ladies who attends our Lunch Ladies event. This particular lady visited the Chinderah Hub to say that she had a wonderful time, she really enjoyed the day and she had so much fun !! She is a widower, she has no family around her, no friends, and has found it difficult finding and making connections. This group has made a massive impact on her social life, she has looked forward to it every fortnight and she has met some really lovely ladies, and now friends. What terrific feedback that is, the group is certainly achieving exactly what we all hoped it would.

Don't forget to book in with either Laurie or Geoff for the party on Dec 14th.

Seasons Greetings to you all.

Clive Rimell
